Royal Shakespeare Theatre, Stratford-upon-Avon

Organise your space, elevate your style!

Creating a feature wall with built-in storage is a great solution for your room. Using a variety of materials and accessories, you can create a unique and striking look.

Our **EMBERLUX** cabinet range has been formed to offer a new way of creative living. Our range of bespoke furniture enables you to have a tidy and stylish home life, in open-plan kitchen areas, living-rooms, bedrooms, home-offices or conservatories.

Founded in 2005 in Stratford-upon-Avon, CK Fires Ltd are a multi-award-winning manufacturer. Our Evonic Fires brand is proud to produce a range of British built electric appliances and are considered as one of the most technically advanced manufacturers in the world. Our range has a heating solution to suit any interior, with a variety of styles, sizes and flame effects to choose from.

PLEASE NOTE: EMBERLUX prides itself on constant development and innovation. We therefore reserve the right to alter the specification of any EMBERLUX product without formal notice. The images in this brochure are produced using photography and CGI. Although the utmost care has been taken to accurately portray our products, we always advise a viewing in person at an approved EMBERLUX stockist's showroom.

|

“We strive to design and deliver sustainable products that are aspirational and driven by technology through innovation.”

|

ANDREW COX | MANAGING DIRECTOR

UK MADE

EMBERLUX collaborates with market leading UK-based suppliers to produce high quality cabinetry for our installations. Customers can be confident in choosing an EMBERLUX media unit, you are supporting British jobs, reducing your carbon footprint through shorter supply chains, and investing in a product that is built to last.

SUSTAINABILITY

EMBERLUX focuses on creating media wall solutions with minimal environmental impact by using eco-friendly materials, reducing waste, and implementing energy-efficient production processes. Our company, CK Fires, have been certified ISO:14001 and ISO:9001 compliant, meaning that we are more conscious of our supply chain and where components are sourced.

NIBE GROUP MEMBER

CK Fires Ltd is a group member of NIBE, a Swedish multinational company that specialises in energy-efficient and environmentally friendly heating solutions. NIBE is a world leader in heating technology, with a wide range of products and solutions for homes, commercial buildings, and industrial applications.

Stockists Network

EMBERLUX has a network of dedicated stockists. Visit the stockists section of our website which features a detailed search engine to locate your nearest dealer. You can even narrow the search down to find a particular model using our product filter tool.

The Suite Range

The suite range of furniture is very versatile and available in a range of sizes to suit any room area.

Adding an electric fire provides a comfortable and attractive solution for those looking to add warmth and style to their living space.

Optional extras, of quartz or granite shelf's, door handles, panelling and lighting, will elevate the appearance of our furniture which has been designed to be a stand out feature in your home.

Options for the suite range can be found on pages 22 - 29.

Cabinet Options

These models offer three door types: Valore, Richmond, and Venice. The Valore has a textured finish and square cut edges whereas the Richmond and Venice are smooth to the touch and have delicate curved edges. Doors and end panels are available in a range of colour's as shown below. All doors have soft close hinges and are handleless so you simply push to open. A choice of handles are available as an optional extra, see page 25 for details. A top pelmet and lighting pelmet, which sits underneath the top section of cabinets, are available as an optional extra for the Bexley suites. Also, shelving can be added to the Harrow and Teddington small models.

E-LLUMINATE LIGHTING KIT

Feature lighting has now become an essential factor in the design of a living space, with many consumers choosing to integrate lighting into their room to accent their fireplace, television, or simply add an extra light source. Try adding the new App. controlled, e-Illuminate smart lighting for that extra wow factor.

Visit the Evonic Fires website for further information - www.evonicfires.co.uk

TV Options

Choosing the ideal size TV for your cabinet is a vital aspect to consider. Below is a diagram and table to assist you, dimensions of the suites can be found on page 29. You can also make your TV stand out by adding a back panel, spaced off the wall by 32mm, which you can match to your cabinet door colour or select a contrasting option. Due to the design of the Lambeth suite, a TV is not an option for this model.

TV SIZE	TV WIDTH	TV HEIGHT	PANEL WIDTH	PANEL HEIGHT

The Modular Range

Modular furniture with an electric fire is a great option for those who want to add warmth and style to their living space. This type of furniture is designed to be flexible and fit the changing needs of your home.

These pieces can be configured in a variety of ways to suit your specific needs, and the electric fire is incorporated into the design as a functional and aesthetic element.

Options for the modular range can be found on pages 36 - 37.

Kingston

The Kingston modular unit is a combination of a chimney breast with electric fire and base unit, shelf top and a choice of shelving units, complete with remote strip lighting, and cupboard units. This provides ample storage space and display area, making the Kingston a functional and stylish piece of furniture that can be customised to fit a specific space.
