BRICK & SLATE STOVE CHAMBERS

Technical Specification

Chamber Dimensions

Please see individual chamber images for dimensions.
All dimensions are provided in millimetres (mm).
Please allow + / - 10mm tolerance due to varying thicknesses
of materials and the manufacturing process.
Please note that colours may vary to those pictured.

Made to Measure

Selected styles of chambers are available as made to measure on
a POA basis. Please contact us for a quote.

Clearances

Minimum clearance distances apply, visit our website or refer
to the installation instructions for more information.

FARMHOUSE STONE HEARTHTHS

A fantastic alternative to traditional granite or slate

Inspired by the allure of country-style decor and living, this natural stone radiates a warm and inviting ambience. Carefully honed with tumbled chiseled edges, it boasts a captivating blue-grey hue that evokes a rustic and timeless antique charm. Select from a range of size options for both front and back hearths, thoughtfully designed to cater to a variety of fireplace requirements.
