

The Electric  
**Fireplace  
Collection**

by **oer**

# Welcome to our latest innovative and exciting range of electric fireplaces and media units.

OER (Olde Englande Reproductions) have been designing and manufacturing fireplaces for over 30 years and have over 18 years of awards for their designs and service. This range of fireplaces has been designed to incorporate the latest technology in electric fires.

We are proud to use the finest materials within these designs — natural oak (sustainably sourced), natural real slate veneers and porcelain.

All designs are made to measure with a wide choice of colours and materials. Your fireplace is handmade to order by our time served craftspeople.
